He explained the different methodologies available for both written and oral exams and projected the costs associated with each.

Chief Nally clarified that the composition of the exam is at the discretion of the Council and offered the following possibilities:

- Written exam
- Oral exam
- Council interviews
- Jacket review
- Education

Chief Nally explained that the NJSACOP offers resources to the candidates and recommends an 8-12 week study period prior to administration of the exam. ADMINISTRATOR REPORT

The new DPW Superintendent, Jeff Cooper, is working with the Interim Superintendent during what is expected to be a smooth transition. Department Head meetings are now scheduled in the morning following each Council meeting. Proposed Verizon node locations have been marked. The Borough Engineer and representatives from Entech are meeting this week to discuss the strategy and timeline for the Mountain Valley Park project. The New Jersey Conservation Foundation has approved the handicapped parking/restroom improvements at West Field and the Borough Engineer will move forward with the design and cost estimate. Brian Levine, Esq. has been appointed as the permanent Judge for Chester Borough and Mendham Borough joint court at an hourly rate of $333.00. Sgt. Camoia indicated that each court session lasts approximately three (3) hours and confirmed that Judge Levine has been accessible during after-hours as needed. Mr. Semrau further commended Judge Levine and opined that he is a good fit for the Borough.
COUNCIL REPORTS, OLD & NEW BUSINESS

Councilman Andrews – Sgt. Camoia has identified two (2) potential candidates to serve as patrolmen in the Borough. Sgt. Camoia was invited to address the Mayor and Council:

Sgt. Camoia explained the necessity of hiring two (2) patrolmen and cited issues related to scheduling, community relations and overtime as a result of understaffing. An informal poll revealed a qualified majority in support of hiring both officers.

The Public Safety Committee will interview the two (2) candidates on May 4th with follow-up from the remaining Council Members. Mr. Semrau advised that the candidates should be informed that they are recommended for hire, but the official appointment will not be until the May 18, 2017 Council meeting.

The older ambulance is in Manasquan for repairs and the mutual aid communities are aware that the Borough has only one (1) working response unit. A follow-up meeting to discuss Assemblyman Declan O'Scanlon’s Third Option has been scheduled with the Township on May 11, 2017.

Councilman Andrus – The Finance Committee and Mr. Merkt met with the MFD and MFAS to develop a capital expenditure plan which will allow for larger purchases to be planned and funds to be saved over time. A follow-up meeting is scheduled for May 15, 2017. Feedback regarding long term planning was requested from the DPW and PD. The Borough may seek funding from EJIF for remediation of the Mountain Valley Park pond.

Councilman Badal – DPW is conducting brush pickup along with milling and paving of several roads. Trees have been planted as per Shade Tree Committee recommendations. The quarterly JIF safety checklist has been completed and divots in West Field have been repaired. Jeff Cooper has been hired as the new DPW Superintendent. Daytop will be discussed in executive session and Eric Harris, Esq. was invited to join executive session on May 18, 2017 to discuss legal fees and other matters.

Councilwoman Glassner – The Personnel Committee’s 2Q meeting has been scheduled for May 1st to discuss the salary ordinance, succession planning and sewer department certifications. Mayor Henry stated that the Canning Group findings show that DPW employees are significantly underpaid resulting in frequent turnover. Councilwoman Glassner suggested merit pay as a retention incentive. Councilman Badal added that a DPW Superintendent transition meeting is scheduled for May 10, 2017.

Councilman Sharkey – The Environmental Commission is pleased to combine its efforts with the Shade Tree Committee. Tree seedlings are in.

Councilman Witczak – no report.

A meeting with MASH and Township officials has been scheduled for May 16, 2017 to discuss vehicle usage.

PUBLIC COMMENT

Mayor Henry opened the floor to comments/questions from the public.

Walter Schubert, 69 West Main Street, applauded the Council’s consensus for two (2) new police officers and recommended the installation of motion sensor lights on police car dashboards as a deterrent against officer assaults during night patrols. Mr. Schubert stated that Morristown has issued a public statement identifying itself as an LGBT Welcoming Community and requested the Borough do the same.
