Mr. Peters summarized the goal and reasoning for wanting to install the lift gate at 15 West Main St. The parking area is meant for the store owners, employees, and tenants of the townhouses. He stated that there
are cars that don’t belong are parked and left there. Ms. Shafran asked if the parking spots that were being discussed were the ones in front of the townhouses and near the retaining wall and Mr. Peter’s confirmed. Ms. Shafran noted that there were no signs posted and felt that would be the first step. Mr. Peterson said that they tried that in a Bernardsville location and it didn’t work. Mr. Zedalis made a statement at he is not recommending approval of the lift gate until other options have been exhausted because it is right on the Main St. and can be seen from the street. Ms. Shafran said that there are other public parking areas in town that have residents that park in them and there hasn’t been an issue because they are posted. Ms. Martin said that when walking in town she noticed an abandoned vehicle behind Robinson’s and she would rather see a lift gate than that, but she felt that signage should be the first step. Mr. Encin asked for clarification the location of the liftgate in relation to the street. Mr. Peterson said that it is approximately 50-60 feet back off the street. Mr. Van Arsdale asked if there was a problem with abandoned cars and Mr. Peterson said he was unsure. Mr. Van Arsdale said that there are issues with parking but they have been addressed with signs. Ms. Shafran said she has been to the coffee shop and has never seen the parking lot full. Mr. Zedalis suggested two options, vote now or postpone the vote and consult with the Police Department with regards to parking. If there is no issue the HPC will decide whether the liftgate is suitable for the historic district. Mr. Zedalis asked if the asked if Mr. Peterson would put up signs and Mr. Peterson said that the owners would put up signs but the signs don’t work. Mr. Zedalis made the recommendation to try signs and he will contact the Mayor and the Police Department to see what their suggestions would be. This will be brought up at the next meeting to get it settled.
