BIDDER QUESTIONS RESPONSE 10/28/2025

1. Just wanted to clarify you can bid only the single stream collection and not bulk pick up?

Yes, bidders can bid on single stream collection only. Bidders can bid on any bid options individually or combined.

2. Bidder is to include pricing for tipping fees for single stream- does the hauler own the material and can they bring it to a facility of their choosing as long as NJDEP approved single stream facility?

Single stream material recycling can be brought to a facility of the bidder's choosing as long as NJDEP has approved the facility.

3. Schedule- Is the township flexible with collection schedule date each week for single stream pick up?

The bidder is bidding collection for the Borough Mendham not Mendham Township. There is some flexibility with the Borough of Mendham, but keeping the current schedule is preferred.

4. Tonnage- are you able to provide the current single stream tonnage for the township of Mendham.
