Project: Florie Farm Road Improvements
Borough of Mendham

Please be advised that on or about July 18th construction on the above referenced project is scheduled to resume. The work will start with the installation of new drainage structures and pipes. Once the drainage improvements are completed, the road will be milled and repaved. You will receive an additional notification prior to the start of the paving work.

An employee of the Borough's Engineering Firm, Ferriero Engineering, Inc. will be onsite daily providing oversight to the project and will be available should you have any questions. You may also contact our office directly with any questions or concerns.

Thank you for your cooperation in advance,

Top Line Construction Corporation
