<b>SUPERSEDES ORDER #:</b>			

**PURPOSE:** The purpose of this SOP is to maintain a high quality of law enforcement services. Improving the relationship between employees and the public facilitates cooperation vital to the department's ability to achieve its goals. This department is committed to providing law enforcement services that are fair, effective, and impartially delivered. Employees are held to the highest standards of conduct and are expected to respect the rights of all citizens. This department must be responsive to the community by providing formal procedures for the processing of complaints regarding individual employee performance. An effective disciplinary framework permits department personnel to monitor employee compliance with department directives, assist employees in meeting department objectives, enhance performance, and permit managers to identify problem areas which require increased training or direction. Finally, this SOP shall ensure fundamental fairness and due process protection to citizens and employees alike.

**POLICY:** It is the policy of the Mendham Borough Police Department to accept and investigate all complaints of department and employee's alleged misconduct or wrongdoing from all persons who wish to file a complaint, regardless of the hour or day of the week. This includes reports from anonymous sources, juveniles, undocumented immigrants, and persons under arrest or in custody. All allegations of employee misconduct shall be thoroughly, objectively, and promptly investigated to their logical conclusion in conformance with this SOP, regardless of whether the employee resigns or otherwise separates from the agency. Discipline shall be administered according to the degree of misconduct. All employees, regardless of rank/title, shall be subject to disciplinary action for violating their oath and trust. Committing an offense punishable under the laws of the United States, the State of New Jersey, or municipality constitutes a violation of that oath and trust. Employees are also subject to disciplinary action for the willful or negligent failure to perform the duties of their rank or assignment. In

addition, employees may be disciplined for violation of any rule or regulation of the department or for failure to obey any lawful instruction, order, or command of a superior officer or supervisor. Disciplinary/corrective action in all matters will be determined based upon the merits of each case. Investigators conducting the investigation of any allegation of misconduct shall strive to conduct a thorough and objective investigation respecting the rights of the principal, any other law enforcement officer, and all members of the public. Accordingly, any supervisor and any officer who may be called upon to conduct an internal investigation must be thoroughly familiar with this SOP.

**It is important to recognize that all internal affairs investigations are conducted under the general supervision of the Attorney General. Therefore, whenever the Attorney General determines that it would be appropriate to do so, the Attorney General, or their designee, may (a) supersede a county prosecutor or other law enforcement agency in any investigation, criminal action or proceeding; (b) participate in any investigation, criminal action or proceeding; or (c) initiate any investigation, criminal action or proceeding. This statutory authority applies fully to any and all aspects of the internal affairs process, and nothing in the IAPP is intended to limit or circumscribe the Attorney General's statutory authority. The Attorney General may supersede and take control of an entire law enforcement agency, may supersede in a more limited capacity and take control of the internal affairs function of an agency, or may supersede and take control of a specific case or investigation. Whenever the Attorney General determines that supersession is appropriate, the Attorney General may assume any or all of the duties, responsibilities and authority normally reserved to the chief law enforcement executive and the agency. Every member of the agency, including the chief law enforcement executive, has a duty to cooperate fully with the Attorney General during the investigation and adjudication of such matters.**

**References to the County Prosecutor's Office throughout this SOP should also be understood to refer to the Office of the Attorney General wherever such an interpretation would be appropriate, such as when the Attorney General has superseded the County Prosecutor or the law enforcement agency.**

*This S.O.P. has been developed in accordance with the New Jersey Attorney General Internal Affairs Directives.*

- B. **Reportable Incident:** is any behavior, performance, or non-performance that may violate department rules, regulations, procedures, applicable criminal and civil laws, and the United States or New Jersey Constitutions. All reportable incidents shall be carefully and thoroughly reviewed by the Internal Affairs Unit Supervisor to determine the manner of response that best serves the public, the department, and the employee. Reportable Incidents classified as misconduct will result in an internal investigation conducted in accordance with the New Jersey Attorney General's Internal Affairs Directive and this procedure. Reportable incidents include, but are not limited to, the following:

1. A complaint that an employee has engaged in any form of misconduct, as defined in this S.O.P., whether on or off-duty;
2. An alleged violation of any of the Department Rules and Regulations;
3. An alleged violation of any written directive issued by this department or appropriate authority as defined by ordinance;
4. A refusal to or a failure to comply with a lawful written or verbal order, directive, or instruction;
5. The filing of a civil suit by a civilian alleging any misconduct by an employee while on duty or acting in an official capacity;
6. The filing of a civil suit against an employee for off-duty conduct while not acting in an official capacity that alleges racial bias, physical violence, or threat of physical violence;
7. Criminal arrest of or filing of a criminal charge against an employee;
8. Allegation(s) that an employee is either as an alleged perpetrator or victim of a domestic violence incident.

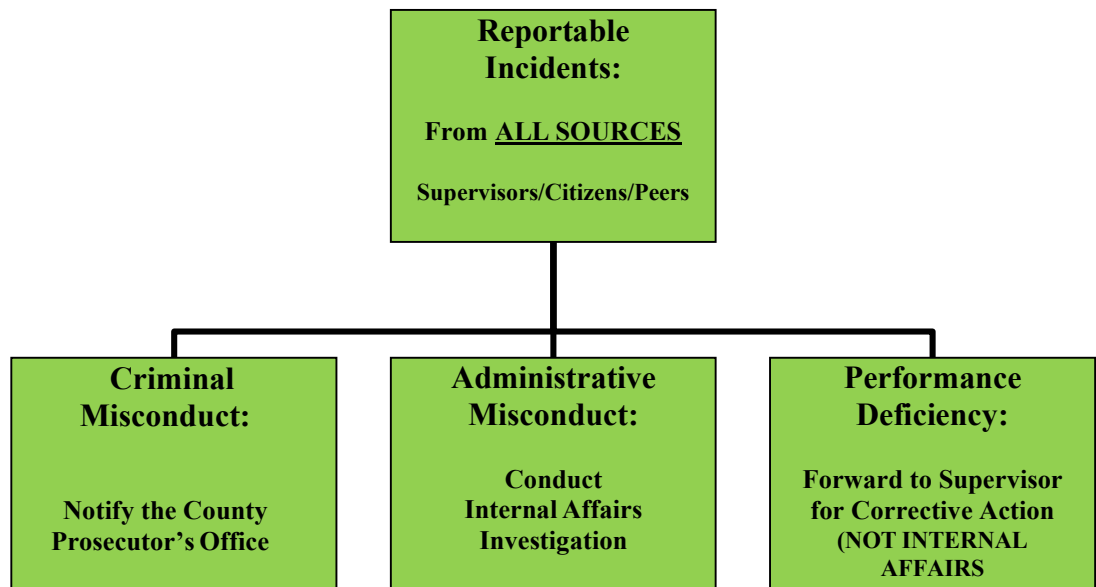

C. **Classification:** There are three (3) classifications of a reportable incident. All reportable incidents shall be forwarded to the Internal Affairs Unit Supervisor to screen, record, and classify the incident as one of the following (See Figure #1):

NOTE: All allegations of misconduct, whether criminal or administrative, regardless of the source of the allegation, shall result in an internal investigation.

1. Criminal Misconduct - Reportable Incidents classified as criminal misconduct will result in immediate notification to the Morris County Prosecutor of the receipt of the complaint by the Internal Affairs Unit. No further action shall be taken, including the filing of charges against an employee, until directed by the Morris County Prosecutor.
  - a. Criminal Misconduct is defined as a reportable incident where there is an allegation of a crime or an offense.
2. Administrative Misconduct - An incident may be classified as administrative misconduct in which case an investigation shall be conducted in accordance with this general order.
  - a. Administrative Misconduct is defined as a reportable incident where there is a serious violation of department rules and regulations, written directive; or conduct which adversely reflects upon the employee or the department.

- b. Repeat performance deficiencies may be classified as administrative misconduct.
3. Performance Deficiency - An incident that is classified as a performance deficiency shall be referred to the supervisor for addressing through non-disciplinary corrective actions (corrective action shall be training or counseling only).

A performance deficiency is defined as a reportable incident of any minor rule infraction that can be addressed at the supervisory level of an employee. This department recognizes that not all reportable incidents constitute misconduct and certain reportable incidents are more effectively handled outside of the disciplinary process. Performance deficiency incidents **are not** internal affairs investigations.

**Figure #1 (Classification Process)**

## II. GUIDING PRINCIPLES

- A. The investigative process should seek to locate and identify all evidence available to either prove or disprove allegations made against an employee.
- B. With the exception of internal investigations that are part of an ongoing or potential criminal investigation, the majority of internal investigations are administrative in nature. Unlike criminal investigations where the burden of proof is beyond a reasonable doubt, the standard for administrative cases is a preponderance of the evidence.

- C. Also important is that strict rules of evidence and certain constitutional protections that apply in criminal cases do not attach to these investigations. In accordance with established case law, the investigator, reviewing authority and the Chief of Police or designee can rely on types of evidence that would be inadmissible in a criminal proceeding provided, there is some indication of reliability.
- D. Furthermore, unlike criminal investigations, certain specific legal protections that arise in employment & labor matters and in police discipline matters apply to employees subject to an internal investigation. These include rights and practices commonly referred to as Weingarten, Loudermill, and Garrity rights, as well as contractual rights or those based on state or federal statutes.
- E. Investigators and reviewers shall scrupulously adhere to the principles that all employees shall be afforded all rights to which they are entitled. At the same time, investigative and review personnel will also be aware of their obligations to determine the facts of each case utilizing investigative methods, which are consistent with acceptable practices in employee discipline cases.
- F. Internal Affairs investigations shall not rely solely on the outcome of related criminal matters or traffic matters. The conviction of a citizen complainant shall not be dispositive as to the citizen's complaint regarding the employee's conduct related to the incident. However, the court proceedings will be relevant and should be reviewed. Unless otherwise determined by the investigative plan, most cases involving a court action will require the collection and analysis of court records and transcripts of court appearances by the principal, complainant, or critical witnesses. The investigator should make every attempt to attend court proceedings, to monitor the progress/outcome of the case. As a monitor, the investigator need not notify the prosecutor, judge, or other court personnel of their presence and should not have any input in the proceedings.
- G. If a civilian signs criminal or traffic complaints, in addition to making an internal affairs complaint against an employee, a not guilty disposition of the court shall not automatically determine the outcome of the internal complaint. However, it will be relevant and part of the investigation.
- H. The investigator and reviewing authority shall consider that administrative charges have a different threshold of proof as well as less restrictive rules of evidence.
- I. As internal affairs investigators, a tendency to automatically grant more credibility to statements given by employees of the department and other law enforcement officials than to statements given by civilian complainants and witnesses must be carefully avoided. In certain situations where the credibility and motive of the complainant is reasonably suspected, a credibility determination may be made as provided for in this general order. However, investigators, unless otherwise authorized, will investigate the relevant facts of the allegations and not the background or motive of the complainant, unless relevant to the investigation.

- J. It is the policy of this department that personnel conducting internal investigations deal with complainants, witnesses, and principals in a professional manner. This includes being prepared for interviews, promptly responding to telephone calls, and handling all related contacts during an investigation to leave citizens and employees alike with the impression that a thorough, fair, and impartial investigation of the allegation(s) will be conducted.
- K. Discovery of additional allegations and identification of additional principals:
  - 1. In conducting investigations, the propriety of all conduct by the employee relating to the subject matter of the investigation shall be reviewed.
  - 2. If during the course of an investigation, the investigator has reason to believe that misconduct occurred, other than that alleged, the investigator shall:
    - a. Document the information on a New Principal/Allegation Identification Form and forward it to the Internal Affairs Unit Supervisor/Chief of Police or designee to determine the appropriate response. Upon completion of the review, the form, which shall include all appropriate endorsements, will be returned to the investigator, and be maintained as an attachment to the investigation.
    - b. Unless otherwise directed, the investigator shall investigate the additional allegation to its logical conclusion.
  - 3. If during the course of an investigation, the investigator has reason to believe that another employee may have been involved in alleged misconduct and should be interviewed as a principal, the investigator shall:
    - a. Report the information on a New Principal/Allegation Identification Form to the Internal Affairs Unit Supervisor/Chief of Police or designee and await further instructions. Other aspects of the investigation should continue.
- L. The department may not enter into binding agreements with law enforcement officers concerning the precise content of a public report concerning major discipline. In other words, law enforcement agencies may not reach any agreement as a condition of a plea or settlement agreement in an internal affairs investigation, or otherwise specifying whether and how that agency will describe the misconduct or sanction in future public reporting.
- M. The New Jersey Resiliency Program for Law Enforcement
  - 1. Under no circumstances, shall an officer face any type of discrimination or adverse internal affairs consequences for the sole reason that the officer decided to seek medical or psychological treatment for a mental

health concern, including depression, anxiety, post-traumatic stress disorder, or substance use disorder.

2. All officers are encouraged to take advantage of the resources provided by the New Jersey Resiliency Program for Law Enforcement, as well as the other resources identified in Attorney General Directive 2019-1.

However, all reasonable efforts should be made to obtain a statement when warranted from non-police personnel in the order of priority as is listed above.
- c. All persons submitting to such a recorded or written statement, including the complainant, witnesses, and the principal(s) will, upon request, be provided with a copy of same by the investigator, as authorized by the Internal Affairs Unit Supervisor/Chief of Police or designee, unless by doing so, it could compromise the investigation.
- d. Other than investigators authorized by the department, employees of this department shall not electronically record nor cause any interview to be electronically recorded. The copy of the official statement shall be produced and provided within a reasonable amount of time. The employee receiving the copy of the statement shall be reminded of the absolute requirement that same not be copied, shown, or revealed to anyone other

than the employee's attorney, if any. Violation of this provision will result in serious disciplinary action.

- e. Audio or written statements shall be made attachments within the investigative file unless the matter is criminal in nature. In that case, evidence shall be handled in accordance with department written directive regarding the handling of evidence in a criminal matter.
- f. All recorded statements will be summarized in the body of the appropriate internal Investigative report. When directed by the Internal Affairs Unit Supervisor, the pertinent portions of this statement will be transcribed and the transcript itself also included as an attachment to the case.
- g. The interview of any non-department person shall document the following identifiers:
  - 1) Full name;
  - 2) Address;
  - 3) Home telephone;
  - 4) Sex;
  - 5) Date of birth;
  - 6) Place of employment;
  - 7) Work telephone;
  - 8) Names of all persons present during interview;
  - 9) Date, time, and location of interview; and
  - 10) Further identifiers such as social security number or SBI or FBI numbers shall not be requested or utilized unless directly relevant to the investigation.
- h. Upon obtaining an audio-recorded statement, investigators will then label the medium, protect against re-record loss, and include it as a case attachment to the report. The statement, if transcribed, will also be included as a case attachment regarding administrative investigations. In cases where the interview concerns a criminal matter, the recorded medium will be secured and handled as evidence.

3. Secondary Investigator as a Witness
  - a. The utilization of a second investigator as a witness to any interview or written statement is not required; however, it may be authorized in certain circumstances.
  
4. Legal Representation in Administrative Internal Affairs Investigations
  - a. During the course of the administrative interview, an employee may be represented by a union representative of their choosing to include an attorney, so long as the availability of the attorney does not in any way hamper or impede the on-going investigation. There is no Sixth Amendment right in Administrative Internal Affairs Investigations for principals and witnesses. If it appears that the employee's union representative may become a witness or principal in the investigation, the union representative shall be prohibited from attending the interview.
  - b. Complainants and witnesses who are not employees of the department cannot be precluded from having a legal representative present while being interviewed by investigators.
  
5. Interview of Complainant
  - a. After the preparation detailed above, all efforts must be made to interview a complainant in person. Complainant interviews shall be conducted formally resulting in a statement secured in accordance with the provisions enumerated under Interview Procedures.
  - b. The investigator shall arrange a convenient time and place, including by telephone (or TDD), to interview civilians for misconduct investigations. The investigator shall reasonably accommodate a civilian's circumstances to facilitate the progress of an investigation. This may include holding an interview at a location other than the department or at a time other than regular business hours.
  - c. Interviews of civilian complainants, which take place over the telephone, must be recorded, unless the witness objects to the recording.
  - d. Investigators must treat the person being interviewed with dignity and respect and demonstrate interest and concern in dealing with the complainant. Employees shall not attempt to dissuade any person from making a complaint. Employees shall conduct themselves as to facilitate the citizen's confidence in the internal investigative process.

- e. Complainants and witnesses shall not be questioned about any matters that are not directly relevant to the allegations of the investigation. Any questioning intended to challenge the credibility of a complainant or witness must be approved beforehand by the Internal Affairs Unit Supervisor. Investigators shall make every effort not to ask questions that may demean, ridicule, or cause embarrassment to the complainant.
- f. Questions must be carefully thought out and absolutely relevant to the investigation. Any questionable issues should be discussed with and approved by the Internal Affairs Unit Supervisor before conducting the interview.
- g. Group interviews shall not be conducted.
- h. Complainants should be interviewed outside the presence of other complainants and witnesses. A parent, or adult relative or guardian in the absence of a parent, shall be present during the interview of a minor. In the event a parent cannot be located, the investigator must document the efforts taken to contact same. If a civilian insists that another potential witness be present during an interview, the interview must continue with the potential witness present, and the report must note the circumstances.
- i. Structure of Interview
  - 1) Complainants should be initially asked to explain in their own words, in detail, the facts forming the basis of the complaint. The investigator should then clarify any questions or issues regarding the complainant's statement.
  - 2) After the complainant has provided a statement, the narrative of the State Standardized Internal Affairs Complaint Form, recorded telephone complaint, or correspondence from the complainant should be reviewed with the complainant.
  - 3) The investigator shall seek to rectify or identify any discrepancies as well as identify any further investigative requirements.
  - 4) The complainant should be asked to identify any witnesses and state what they believe the witness may have knowledge of, turn over any evidence in their possession, and identify what other types of evidence they know.

- 5) Every relevant fact known to the complainant should be identified and explored thoroughly.
- 6) Issues identified in the Investigation Plan, should be addressed.
- 7) In addressing the allegations, questions utilized in the basic investigative process, namely: who, what, when, where, why, and how, should be precisely addressed.
- 8) The complainant and or witnesses have no automatic right to view any department video recordings. It shall be up to the discretion of the investigator, whether utilizing any department video recordings during an interview will enhance or clarify the investigative process.
- 9) If a complainant refuses to be interviewed, or cannot be located or contacted, a letter should be immediately forwarded on department letterhead, via certified mail, authorized and signed by the Internal Affairs Unit Supervisor, advising that they should respond within ten (10) days, or the investigation will proceed without their input.

#### 6. Interview of Witness

- a. Every effort should be made to interview all witnesses. The full identity of the witness should be obtained. If the witness refuses to be interviewed or cannot be contacted after a reasonable attempt to locate, a certified letter should be sent on department letterhead advising that witness should respond within ten (10) calendar days.
- b. Specific and detailed questions should be asked including who, what, when, where, why, and how the incident or event occurred. The investigator should have a clear purpose in identifying relevant witnesses and selecting what questions to ask them. These issues should be established in the Investigative Plan.
- c. The aforementioned techniques outlined in the complainant interview should be applied to the interview of witnesses.
- d. Witness interviews shall be conducted formally resulting in a statement secured in accordance with the provisions enumerated under Interview Procedures.

7. Interview of Employees

- a. Generally, the interview of an employee is accomplished after the complainant and all witnesses are interviewed. However, this is determined by the character of the inquiry and remains a choice of the investigator. Such interviews are a critical step in the investigation and should be carefully planned. Investigators **shall not** accept a written statement from any employee in lieu of an interview.
- b. Employee interviews shall be conducted formally, resulting in a statement secured in accordance with the provisions enumerated under Interview Procedures.
- c. **A police officer has the same duty and obligation to their employer as any other employee. Thus, where an internal affairs investigation is being conducted, the officer has a duty to cooperate during an administrative interview. The officer also must truthfully answer all questions put to them during the course of the investigation. Failure to fully cooperate with an administrative investigation and/or to be completely truthful during an administrative interview can form the basis for disciplinary action separate and apart from the allegations under investigation. This duty to fully cooperate in an investigation applies to every employee of the agency, whether law enforcement officer or civilian.**
- d. Employee as: **WITNESSES**
  - 1) It is required that a formal audio recorded statement be taken from each employee considered a witness. Statements need not be transcribed but must be summarized in the appropriate internal Investigative report. The key elements of the statement may be transcribed if necessary. A sworn member who is considered a witness is entitled to union representation if they reasonably believe that they may be subject to disciplinary action as a result of the investigation.
  - 2) Advise the employee that they are a witness, explaining the difference between a witness and principal.
    - a) A witness is a person reasonably believed to have information concerning the event under investigation, but whose own conduct is not the focus of the investigation.
    - b) A principal is a person whose conduct is the focus of the investigation.

- 3) Before any questioning takes place, the employee shall be apprised of the identity of the investigator conducting the interview, including their rank, name, and assignment. This notice shall also include the identity of all persons present during the interview.
- 4) The investigator may require the employee to submit a report detailing relevant facts in the investigation. If a report is required, the investigator will provide the employee with the background information regarding the nature and timeframe of the complaint. The employee should be encouraged to review any of his or her own reports. – NOTE – Not to be used in lieu of an audio recorded statement.
- 5) A formal audio-recorded statement will be obtained from the witness after they have been given their Witness Acknowledgment Form. The investigator shall further verbally confirm the employee's obligation for candor throughout an internal investigation, pointing out the specific provision of the acknowledgment form denoting such.
- 6) If, during the interview, the status of an employee shifts from a witness to a principal, the employee shall be advised accordingly. The investigator shall contact the Internal Affairs Unit Supervisor to secure permission to proceed. If approval is granted to proceed, the investigator will execute a Principal Acknowledgment Form. Upon completion of the interview, the investigator will complete a New Principal/Allegation Identification Form, and forward same to the Internal Affairs Unit Supervisor for the purpose of updating the case. A copy of the completed form, incorporating all required endorsements must be secured and submitted as an attachment to the investigation.

e. Employee as: **PRINCIPAL**

- 1) No employee shall be designated a principal without the approval of the Internal Affairs Unit Supervisor.
- 2) Each employee of the department is required to answer pertinent questions regarding the matter, which is the subject of investigation. All employees of the department are obligated to answer questions and provide full and complete information to the investigator(s) during internal investigations. Less than complete candor during any statement may lead to serious disciplinary sanctions, which may include suspension or termination.

- 3) The investigator shall not automatically provide the principal with the State Standardized Internal Affairs Complaint Form. Principals shall be advised of the specific nature of the complaint, the time period involved, any allegation(s) or violation(s) of rules, regulations, and orders involved, and if applicable, the name or names of the complainant(s) and/or witnesses, in writing. The addresses of the witnesses or complainants need not be disclosed.
- 4) In cases where these documents are shown to the principal, the investigator shall redact from the letter of complaint, State Standardized Internal Affairs Complaint Form, or any other relevant document provided to the principal during the interview, any information that may compromise the investigative process by providing same to the principal. Redacted documents utilized during the investigation for any purpose shall be properly referenced in any interview and included as an attachment to the Investigative report.
- 5) As an employee of the department, the Weingarten Representative shall be advised of the obligation of confidentiality and the requirement not to discuss any information obtained during an interview with any other person. (Weingarten Rights)
- 6) The principal may produce records of their own or suggest names of witnesses they request to be interviewed.
- 7) A formal electronically recorded statement will be obtained from the principal after they have been advised of their Administrative Advisement. The investigator shall further verbally confirm the employee's obligation for candor throughout an internal investigation.
- 8) The following guidelines will be followed when any representation is requested.
  - a) Any employee designated as a principal or witness, who reasonably believes that the investigation may result in disciplinary action against them, is entitled, upon request of the interviewee, to have a union representative accompany the interviewee to the interview.
  - b) Any employee who is a potential principal or

witness in the investigation may not act as a Weingarten representative.

- c) The exercise of the interviewee's right to a union representation may not interfere with the investigation. However, a reasonable period of time should be allowed for the representative to appear for the interview.
  - d) Although an interviewee is entitled to the representative of their choosing, any union representative or other person designated by the union will satisfy the representation requirement. Also, a bargaining unit representative should not be permitted to represent more than one witness or subject in a single investigation, in part to avoid potential conflicts of interest.
  - e) The principal and their representative shall be informed of the subject matter of the investigation and given a reasonable period of time to confer prior to the interview. The union representative may be present during the interview, and once the interview has begun, they may not leave the room for purposes of further consultation. If the principal refuses to make a statement or answer any questions, they will be informed that such refusal may result in discipline/dismissal and the interview shall be terminated.
  - f) The investigator shall not negotiate with the representative. The representative may be permitted to clarify facts or make suggestions (e.g., other potential witnesses) after the investigator's questioning of the principal. The investigator is free to insist that they are only interested in hearing the interviewee's own account of the matter under investigation. In other words, the representative shall not be permitted to answer for the principal or conduct their own interview.
- 9) The interview shall be conducted at a reasonable hour in a non-coercive manner, without threat or promise of reward, and preferably when the employee is on duty. No "off the record" questions will be asked and no "off the record" statements will be permitted. If the urgency of the investigation requires that the employee be questioned while off duty, such time will be recorded and treated as hours worked in accordance with the

collective bargaining agreements, where applicable.

- 10) The interview shall be conducted at a location designated by the investigator, usually at headquarters.
- 11) The questioning shall be of a reasonable duration and rest periods allowed. Time shall be provided for personal necessities, meals, and telephone calls as are reasonably needed.
- 12) If at any time during the questioning session the employee becomes a suspect in a criminal act, the employee shall be so informed, and the questioning shall end. Promptly refer the case to the Morris County Prosecutor. Should the Prosecutor afford the employee a grant of use immunity, the Internal Affairs Unit investigator shall schedule an interview with the employee.

#### E. Investigative Avenues

##### 1. Physical Evidence

- a. Investigators should obtain all relevant physical evidence. All evidence, such as clothing, hair or fabric, fibers, stains, and weapons should be handled according to established evidence procedures.
- b. With respect to an audio file, they should be secured at the outset of the investigation. Transcripts or copies of the original recordings can be used as investigative leads. Audio files should be monitored to reveal the totality of the circumstances.
- c. Statements from all parties.

##### 2. Photographs

- a. In the event of a complaint involving excessive force, the following photographic documentation shall be obtained when appropriate. Whenever possible, color photography shall be used.
  - 1) Photographs of the complainant at the time of arrest or following the alleged incident of excessive force.
  - 2) Photographs of the principal in the event that employee was a victim.

- 3) A recent photo of the employee in the event a sequential photo display will be used for identification purposes. The photo display must be conducted in accordance with the New Jersey Attorney General's guidelines and retained for possible evidentiary purposes.
- 4) Photographs of the scene of the alleged incident, if necessary.

3. Physical Tests

- a. Principals may be compelled to submit to various physical tests or procedures to gather evidence. Such evidence may be used against them in a disciplinary proceeding.
- b. No person has a constitutional right or privilege to refuse to submit to an examination to obtain a record of their physical features and other identifying characteristics of their physical or mental condition. Evid. R. 503(a). Evidence that may be obtained or procedures that may be used to obtain evidence under this rule include:
  - 1) Breath samples;
  - 2) Blood samples;
  - 3) Buccal swabs;
  - 4) Requiring employee to speak;
  - 5) Voice recordings;
  - 6) Participation in suspect lineups;
  - 7) Handwriting samples;
  - 8) Hair and saliva samples;
  - 9) Urine analysis;
  - 10) Videotaping;
  - 11) Field sobriety tests.
- c. Generally, a person cannot be physically forced to produce this or other evidence or submit to such tests, although a court order may be obtained to legally compel them to do so. Refusal to comply with the order can result in additional criminal, civil,

and/or administrative sanctions.

4. Polygraphs

- a. While an employee who is the subject of an Internal Affairs investigation may request a polygraph examination, an employer shall not influence, request, or require an employee to take or submit to a polygraph examination as a condition of employment or continued employment (N.J.S.A. 2C:40A-1).
- b. An employee cannot be required to submit to a polygraph test on pain of dismissal. Engel v Township of Woodbridge, 124 N.J. Super. 307 (App. Div. 1973).
- c. If a polygraph is used, the test must be administered by a qualified police polygraph operator.

5. Search and Seizure

- a. As a general rule, the Fourth Amendment applies to any action taken by government. Law enforcement officers have the right, under the Fourth Amendment, to be free from unreasonable searches and seizures. Fourth Amendment warrant requirements apply to any search of an office, and employee's personal property including clothing, car, home, or other belongings to include any computer or digital recordings.
- b. A voluntary consent to a search may preclude some Fourth Amendment problems from developing. A consent search eliminates the need to determine what threshold standard must be met before conducting the search or seizure, either for an administrative or criminal investigation. Under New Jersey law, for consent to be legally valid, a person must be informed that they have the right to refuse to permit a search. State v. Johnson, 68 NJ 349 (1975). If a consent search is utilized, the investigating officer shall follow standard police procedures and have the principal sign a consent to search form after being advised of the right to refuse such a search and to be present during the search, unless they waive this right.
- c. In a criminal investigation, the standard to obtain a search warrant is probable cause. Generally, a search warrant should be sought to search an area belonging to the principal when the employee maintains an objective expectation of privacy in that area. Areas and objects in this category include but are not limited to the employee's home, personal car, safe deposit boxes and personal computers. Department supplied equipment and property is never considered personal property of the employee.

- d. Generally, during either administrative investigations or criminal investigations, workplace areas may be searched without a search warrant. The critical question is whether the public employee has a reasonable expectation of privacy in the area of property the Internal Affairs investigator wants to search. The determination of a reasonable expectation of privacy must be decided on a case-by-case basis. There are some areas in the person's workplace where this privacy expectation can exist just as there are some areas where no such expectation exists. Areas where supervisors or other employees may share or go to utilize files or equipment would present no expectation of privacy or a diminished expectation of privacy. Included here would be government provided vehicles, filing cabinets, department computers, etc.
- e. Department property includes but is not limited to computers, lockers, phones, department vehicles, desks/offices/workstations, filing cabinets and any other department equipment remains the property of the Mendham Borough Police Department and is subject to entry and inspection without notice at any time and without a search warrant.
- f. If a criminal investigation, prior to a search or confiscation of any department issued property, approval must be obtained from the Morris County Prosecutor or their designee.
- g. Any search of department or personal property should be conducted in the presence of another department employee, preferably a superior officer, and should be properly recorded.

## **VII. REPORTING**

- A. Upon completion of all possible avenues of inquiry, the Internal Affairs investigator shall complete the following reports:
  - 1. The internal investigation will be memorialized on the reports as are hereinafter identified. The reports will be submitted to the Internal Affairs Unit Supervisor for approval on a regular basis so as to keep the case current at all times.
  - 2. All approved original reports will be maintained by the investigator until the investigation is concluded at which time the complete case file will be submitted to the Chief of Police or designee through the Internal Affairs Unit Supervisor.
  - 3. The completed report will be submitted in a report folder/envelope. The investigator will include the Internal Investigation Attachment Log, followed by the State Standardized Internal Affairs Complaint Form, the Investigative report, and the remaining attachments, numbered

sequentially. Supplemental Internal Investigative reports will be placed in the folder/envelope as numbered attachments, in the correct chronological order.

4. The **Summary and Conclusions Report** will be attached to the report folder/envelope. An Internal Investigation Review Sheet will be secured to the left inner cover, on top of the Internal Investigation Allegations and Conclusions Form.
5. All attachments will be marked, unless marking the document in that area would damage or interfere with the content of the attachment.

B. Report Flow

1. The investigation should be completed, and all reports prepared within thirty (30) calendar days of being assigned. Authorization for additional time to complete investigations must be received from the Chief of Police or designee in accordance with the investigation extension procedure.
2. The investigator, upon completion of the report, shall forward it directly to the Internal Affairs Unit Supervisor, who will forward it to the Chief of Police or designee.
3. The Internal Affairs Unit Supervisor will review the case and make recommendations to the Chief of Police or designee regarding discipline.
4. The Chief of Police or designee, upon receipt of the recommendation, will review the matter and make the final determination or return the case for further investigation.
5. Once the Chief of Police or designee is provided with "sufficient information" to file a charge, the Chief of Police or designee has forty-five (45) days to do so. (N.J.S.A 40A:14-147).
6. In all cases, a letter shall be sent to the complainant explaining the outcome of the investigation. If the allegation was unfounded or the employee was exonerated, this conclusion shall be stated and defined for the civilian complainant. If the allegation was not sustained, the letter shall provide the complainant with a brief explanation why the complaint was not sustained (e.g., insufficient proof, lack of witnesses, etc.). If the allegation was sustained and discipline was imposed, the letter shall simply state that the allegation was sustained, and that the employee has been disciplined according to department procedures. It is not necessary to specify the discipline imposed.
  - a. If discipline is imposed, a record of such discipline, not including the investigative report or attachments, shall be placed in the

employee's personnel file (refer to Section X.A(2)).

7. Whenever a final determination is reached in an internal investigation, the employee(s) involved as a principal shall be notified in writing by the Chief of Police or designee of that determination.

C. Internal Investigation Plan

1. The case investigator shall meet with the Internal Affairs Unit Supervisor within five (5) business days of being assigned to conduct the internal investigation, to discuss and formulate an investigative plan.
2. Thereafter, the case investigator will complete an Internal Investigative Plan and submit same for approval prior to the conclusion of the meeting. When approved by the Internal Affairs Unit Supervisor, the plan will be maintained and secured in the case jacket dedicated to that investigation.

D. Internal Investigative Report

1. Within ten (10) calendar days of being assigned to conduct an internal investigation, the case investigator shall complete an Internal Investigative Report and submit same for approval to the appropriate Internal Affairs Unit Supervisor. The report must include:
  - a. Documentation that the complainant has been contacted by the investigator to advise them of their assignment as the case investigator and to arrange a meeting to conduct an interview. If the investigator is unable to contact the complainant, the report must reflect that the appropriate certified ten (10) day letter, endorsed by the Internal Affairs Unit Supervisor or Chief of Police or designee, has been mailed to the complainant.
  - b. Documentation that the case investigator has contacted the principal(s) and informed them of the nature of the complaint against them.
  - c. An analysis of the allegations to be addressed by the investigation, linked to specific provisions of the Rules and Regulations, and/or any guidelines that govern the behavior of employees of the department.

E. Supplemental Internal Investigative Report

1. A Supplemental Internal Investigative Report will be submitted on a regular basis to document the investigative process on all internal investigations wherein investigative activity took place during that period. For the purposes of this general order, the term regular basis

shall be interpreted to mean at least every ten (10) calendar days, unless the Internal Affairs Unit Supervisor waives this requirement.

F. Internal Affairs Attachment Log

1. An Internal Investigation Attachment Log will accompany each case when submitted by the investigator.
2. The Attachment Log will account for all attachments accumulated during the investigation. The State Standardized Internal Affairs Complaint Form will always be attachment #1. The Internal Investigative Report will be attachment #2. Thereafter, each individual Supplemental Internal Investigative Report will be assigned a separate attachment number.
3. A separate log number will be assigned to every attachment, unless the attachment is a multiple page document, at which time it will be secured as a singular attachment.
4. Each attachment accumulated and documented in the investigative report will receive a separate log number and be appropriately cross referenced in chronological order.

G. **Summary and Conclusions Report**

1. At the conclusion of the investigation, the investigator shall complete and submit a **Summary and Conclusions Report**.
2. **The report shall be organized as follows:**
  - a. **A Summary of the Allegations against the officer, including a recitation of the alleged facts;**
  - b. **A Summary of Factual Findings in which the investigator outlines the facts proven or supported by the evidence reviewed during the investigation and applies those facts to each allegation. This shall include a conclusive finding on whether each allegation is to be recorded as exonerated, sustained, not sustained or unfounded. For sustained findings that qualify for disclosure under Section III.D(12), the summary of factual findings, along with the discipline imposed, should be the basis for the brief synopsis required under Section III.D(12);**
  - c. **A Discipline Imposed section in which the final discipline imposed on the officer will be recorded. This section should be completed once the discipline imposed becomes final. See Section III.D(12) for guidance on when the officer's discipline is final.**

3. The allegation will set forth, in narrative form, the alleged misconduct and be linked to the specific provision of the Rules and Regulations and/or SOP purportedly violated.
4. The conclusion reached by the investigator, based upon the facts developed in their investigation, will fall into one of the following four (4) dispositions.
  - a. Sustained – a preponderance of the evidence shows that an employee violated department rules, regulations, protocols, standard operating procedures, directives, or training;
  - b. Unfounded – a preponderance of the evidence shows that the alleged conduct did not occur;
  - c. Exonerated – a preponderance of the evidence shows that the alleged conduct did occur, but did not violate rules, regulations, standard operating procedures, directives, or training. (For example, at the conclusion of an investigation into an excessive force allegation, the agency finds that the officer used force (alleged conduct) but that the force was not excessive (alleged violation).)
  - d. Not Sustained – based upon the preponderance of evidence standard, there is insufficient evidence to decide whether the alleged misconduct occurred.
- ❖ Administratively Closed – In some cases, the complaint or investigation is closed prior to reaching a disposition. These should be counted as “Administratively Closed.”
5. The conclusions should be written in paragraph form wherein each piece of evidence that is relied upon in order to reach the conclusion found is individually numbered.
6. These individual paragraphs should be in sufficient detail that standing alone they provide a concise synopsis of the investigation and its findings.
7. These individual paragraphs should be footnoted to the source attachment used in formulating the paragraph.
8. The final paragraph in the Summary and Conclusions Report should encompass verbiage that reads, in effect; “that based upon the preponderance of evidence accumulated in the investigation it is concluded that:
  - a. There is insufficient evidence that <Officer/Employee> did <alleged behavior>.

- b. The allegation that <Officer/Employee> did <alleged behavior> is unfounded.
  - c. The allegation that <Officer/Employee> did <alleged behavior> is substantiated.
  - d. The investigation exonerates <Officer/Employee> of the allegation of <alleged behavior>.
9. **If the conduct of an officer was found to be improper, the Summary and Conclusions Report must cite the agency rule, regulation, or SOP violated. Any aggravating or mitigating circumstances surrounding the situation, such as unclear or poorly drafted agency policy, inadequate training, or lack of proper supervision, shall also be noted in the Summary and Conclusions Report.**
10. **If the investigation reveals evidence of misconduct not based on the original complaint, this too must be reported and memorialized in both the Investigative Report and the Summary and Conclusions Report. An investigation concerning this secondary misconduct shall be conducted.**

H. Internal Affairs Investigative Review Sheet

- 1. Each time a supervisor reviews the internal investigation, they will complete the form as the reviewer. Occasions may arise when the reviewer will review the case more than once. For example, the Internal Affairs Unit Supervisor reviews the case and returns it to the investigator. Subsequently, the investigator resubmits the case to the Internal Affairs Unit Supervisor. The Internal Affairs Unit Supervisor will now complete the Internal Investigation Review Sheet as the second reviewer.
- 2. Upon the conclusion of all internal investigations, the investigator will generate an Internal Investigation Review Sheet, which will accompany the submitted investigation.
- 3. The Internal Investigation Review Sheet will accompany the case as it progresses through the review process and be completed by each supervisor reviewing the case.
- 4. When the supervisory reviews of the case are ultimately concluded, the Internal Investigation Review Sheet will be maintained and secured in the case jacket. This report may be hand-written by the reviewer.

I. New Principal/Allegation Identification Form

- 1. During the interview, if the status of an employee shifts from a witness

to a principal, the employee shall be advised accordingly. The investigator shall contact the Internal Affairs Unit Supervisor/Chief of Police or designee to secure permission to proceed.

2. If approval is granted to proceed, the investigator will complete a New Principal/Allegation Identification Form and forward same to the Internal Affairs Unit Supervisor, for the purposes of updating the case. A copy of the completed New Principal/Allegation Identification Form, incorporating all required endorsements, must be secured and submitted as an attachment to the investigation.
3. This form will also be used to document perceived violations of written directives not relevant to the complaint or the alleged misconduct being investigated.

J. Request for Extension of Investigation

1. Exceptions to the thirty (30) calendar day requirement to complete all internal investigations may be granted only in the following cases:
  - a. The investigation is pending criminal prosecution.
  - b. The investigation is undergoing a prosecutorial review to determine if the matter will be prosecuted criminally.
2. This form must be submitted to the Chief of Police or designee through the chain of command or for approval as soon as any of the foregoing criteria is met.
3. The completed form, including all required endorsements, must be submitted as an attachment to the investigation.
4. If investigators are unable to complete an internal affairs investigation within thirty (30) calendar days of receiving a complaint, they must notify the Chief of Police or designee on or about the 30<sup>th</sup> day. In such situations, the Chief of Police or designee should seek to identify the reasons for the extended investigation and whether the internal affairs function requires additional resources or oversight to complete the inquiry in a prompt manner.

K. Performance Notice: is the form that must be completed by a supervisor to address the corrective action taken as a result of the performance deficiency.

1. A Performance Notice shall be used when the performance deficiency warrants a corrective action of training or counseling.
2. The supervisor recommending the issuance of a Performance Notice (counseling or training) shall complete the form, which will be

forwarded to the Internal Affairs Unit Supervisor for review and approval.

3. Upon approval of the Performance Notice, the employee shall be advised of the corrective action by the issuing supervisor and acknowledge receipt. The employee shall sign the Performance Notice and be given a copy of the document.
4. The original copy shall be forwarded to the Internal Affairs Unit for filing.

L. Reprimand Notice (verbal/written reprimand): is the form that must be completed by a supervisor to address the disciplinary action initiated as a result of repeated performance deficiencies or administrative misconduct.

1. A Reprimand Notice shall be used when the performance deficiency or misconduct warrants a disciplinary action of a verbal or written reprimand.
2. The supervisor recommending the issuance of a Reprimand Notice (verbal or written) shall complete the form, which will be forwarded to the Internal Affairs Unit Supervisor for review and approval.
3. Upon approval of the Reprimand Notice, the employee shall be advised of the corrective action by the issuing supervisor and acknowledge receipt. The employee shall sign the Reprimand Notice and be given a copy of the document.
4. The original copy shall be forwarded to the Internal Affairs Unit Supervisor for filing.

M. Formal Charge:

1. A Notice of Disciplinary Action Form shall be used to formally charge an employee with administrative misconduct, the penalty for which exceeds a written reprimand.
2. If the complaint is sustained after review, and it is determined that formal administrative charges should be pursued, the Chief of Police or their designee shall direct the Internal Affairs Unit to prepare the **Notice of Disciplinary Action form** and have it served upon the principal. The Chief of Police or designee will sign and file these charges.
3. 4. Conclusion of fact and the penalty imposed will be noted in the employee's personnel file after he or she has been given an opportunity to read and sign it. The Internal Affairs Unit will cause the penalty to be carried out and complete all required forms.
- N. If the employee charged waives a hearing and enters a plea of guilty, the Chief of Police or designee shall permit the employee to present factors in mitigation prior to assessing a penalty.

Internal Affairs record keeping system.

- B. The Mendham Borough Police Department shall protect and maintain the confidentiality of all internal affairs records against the department or employees. These records shall be in a designated secure area accessible only to the Chief of Police or designee, Internal Affairs Unit and others as authorized by the Chief of Police or designee.
- C. The information and records of an internal investigation shall only be released under the following limited circumstances:
  - 1. In the event that administrative charges have been brought against an employee, and a hearing will be held, a copy of those internal investigative reports to be used as evidence in the administrative hearing shall be provided to the employee;
  - 2.   - 3. Upon request or at the direction of the Morris County Prosecutor or New Jersey Attorney General;
  - 4. Upon a court order; or
  - 5. **Upon a request from the Division of Pensions, following an officer's application for a retirement allowance.**
- D. **The Summary and Conclusions Report described in Section VII.G shall be released in response to a request made under the common law right of access by any member of the public or press where it satisfies any of the following conditions:**
  - 1. **The Summary and Conclusions Report led to a result on or after January 1, 2023, that requires disclosure pursuant to Section X.C(1-12);**
  - 2. **The agency otherwise concludes that the Summary and Conclusions Report is subject to release pursuant to applicable law or court order; or**
  - 3. **Upon the request or at the direction of the County Prosecutor or Attorney General at any time.**
- E. **When an agency concludes that a report is subject to disclosure under Section IX.D, it shall redact the following before disclosure:**

  2. **Non-public, personal identifying information about any individual named in the report, such as their home addresses, phone numbers, dates of birth, social security numbers, familial relationships, etc.;**
  3. **Medical information or history, including but not limited to, mental health or substance abuse services and drug or alcohol evaluation, counseling, or treatment;**
  4. **Information regarding any criminal investigation or prosecution that is not already contained in a public filing, or any information that would impede or interfere with a pending criminal or disciplinary proceeding;**
  5. **Any records or material prohibited from disclosure by law;**
  6. **Juvenile records;**
  7. **Any information which is the subject of a judicial order compelling confidentiality;**

The request and the authorization shall be in writing, and the written authorization shall specify who is being granted access, to which records access is being granted, and for what time period access is permitted. The authorization shall also specify any conditions, such as one in which the files may be reviewed only at the Internal Affairs office and may not be removed.**
1. **The Chief of Police may order any redactions consistent with Section IX.E(1-9).**

---

<sup>1</sup> In instances of domestic violence, in addition to redaction of the victim's name, all reference to the specific nature of the qualifying relationship should also be redacted to protect the identity of the victim. For example, if the victim is an intimate partner, terms such as "spouse," "partner," "girlfriend," "boyfriend," "husband," or "wife," should also be redacted, and to the extent possible the report should just indicate that the relationship between the victim and the officer was an enumerated relationship under the Domestic Violence Act (N.J.S.A. 2C:25-17 et seq.).

2. **The Chief of Police should grant such access sparingly, given the purpose of the internal affairs process and the nature of many of the allegations against officers.**
- G. Agencies may receive subpoenas directing the production of internal affairs investigative records. Before responding to the subpoena, the Chief of Police or designee should consult with the Department's legal counsel or County Prosecutor's Office to determine whether the subpoena is valid.
  - H. If the release of internal affairs documents is appropriate, the department should inventory the reports they are releasing and obtain a signed receipt.
  - I. Subpoenas for Employee's Personnel/Internal Affairs Files
    1. In matters that involve criminal and/or civil actions resulting from an internal affairs case, the department shall **NOT** release any information in response to the subpoena without first contacting the Assistant Prosecutor to whom the matter has been assigned by telephone and in writing. All such contact shall be noted in the internal affairs report.

- A. The Mendham Borough Police Department shall submit quarterly reports to the Morris County Prosecutor's Office regarding internal affairs complaints received for that period. **The Appendix K Internal Affairs Reporting Form shall be used to satisfy the requirements of this Section.**
- B. On an annual basis, the Mendham Borough Police Department shall publish on its public website a report summarizing the types of complaints received and the dispositions of those complaints. This report should be statistical in nature. **The Appendix K Internal Affairs Reporting Form shall be used to satisfy the requirements of this Section. This process shall be overseen and directed by the Attorney General's Office of Public Integrity & Accountability and the Office of Justice Data.**
- C. On a periodic basis – no later than January 31st of the following year – the Mendham Borough Police Department shall submit to the Attorney General and the Prosecutor, and publish on the agency's public website, a brief synopsis of all **misconduct** where **an agency member**:
  1. Was terminated;
  2. Was reduced in rank or grade;
  3. Was assessed a suspension of more than five days. **A suspension of more than five days shall be broadly construed to include any disposition involving a suspension of more than 40 hours of time or the equivalent of five days/shifts if less than 40 hours, regardless of whether any of the suspension time was suspended or held in abeyance. It shall include the loss of vacation, sick or**

leave time totaling more than 40 hours or the equivalent of five days/shifts. It shall include any combination of suspension time assessed plus loss of vacation, sick or leave time that aggregates to more than 40 hours or the equivalent of five days/shifts. It shall also include any fine that exceeds the gross value of 40 hours, or the equivalent of five days/shifts, of pay;

7. **Effective January 1, 2023: had a sustained finding that an officer has filed a false report or submitted a false certification in any criminal, administrative, employment, financial, or insurance matter in their professional or personal life, regardless of the type or severity of discipline imposed;**
8. **Effective January 1, 2023: had a sustained finding that an officer intentionally conducted an improper search, seizure or arrest, regardless of the type or severity of discipline imposed;**
9. **Effective January 1, 2023: had a sustained finding that an officer intentionally mishandled or destroyed evidence, regardless of the type or severity of discipline imposed;**

11. **Resigned, retired, transferred or separated from the agency, regardless of the reason, while any internal affairs investigation or complaint was pending, and the misconduct ultimately sustained falls within categories (d) through (j) above or would have resulted in an action under categories (a) through (c) had the**

member not separated from the agency<sup>2</sup>; or

12. Was charged with any indictable crime under New Jersey or an equivalent offense under federal law or the law of another jurisdiction related to the complaint.

“Sustained finding” refers to any finding where a preponderance of the evidence shows an officer violated any law, regulation, directive, guideline policy or procedure issued by the Attorney General or County Prosecutor; agency protocol; standard operating procedure, rule, or training, following the last supervisory review of the incident(s) during the internal affairs process where the deadline for appeal has passed or following a ruling by a hearing officer, arbitrator, Administrative Law Judge, Civil Service Commission, or the Superior Court where the deadline for any subsequent appeal has passed.

Allegations that cannot be sustained, are not credible, or have resulted in the exoneration of an employee, including where the previous finding has either been vacated, or overturned on the merits in any subsequent action, generally are not considered to be sustained findings subject to the disclosure requirements of this SOP. On the other hand, if the officer negotiates a plea or there is an administrative or civil settlement with the employer whereby the charge is dismissed, the charge would still be considered sustained, if there was sufficient credible evidence to prove the allegation, and the officer does not challenge the finding and obtain a favorable ruling by a hearing officer, arbitrator, Administrative Law Judge, Civil Service Commission or the Superior Court.

The reporting and public dissemination requirements of (1) through (10) above become applicable once an officer’s discipline is sustained, as defined above. The reporting and public dissemination requirements of (11) and (12) above become applicable at the close of the reporting period during which they occur.

The synopsis of each case, required by this section, shall follow the format provided in Appendix L and shall include the identity of each officer subject to final discipline, a full explanation of the rule, regulation, policy, directive, or law violated, a brief factual summary of their conduct, and a statement of the sanction imposed. The synopsis shall provide sufficient detail to enable a reader who is not familiar with the case to fully understand the factual scenario that resulted in the disciplinary action.

This synopsis shall not contain the identities of the complainants or any victims. Where discipline relates to domestic violence, the synopsis shall not disclose the relationship between a victim and an officer. In rare circumstances, further redactions may be necessary to protect the identity of a victim. Whenever practicable, notice shall be given to victims of domestic or sexual violence in advance of the disclosure of

<sup>2</sup> Section 6.0.1 of the IAPP requires that “All allegations of officer misconduct shall be thoroughly, objectively, and promptly investigated to their logical conclusion in conformance with this policy, regardless of whether the officer resigns or otherwise separates from the agency.”

**discipline related to the incident.**

- D. The department may not, as part of a plea or settlement agreement in an internal affairs investigation or otherwise, enter into any agreement concerning the content of a synopsis subject to public disclosure, including any agreement regarding the identities of officers subject to final discipline, summaries of **misconduct**, or statements of the sanctions imposed. **No State, county, or municipal agency, law enforcement unit, or licensed law enforcement officer shall enter into any non-disclosure agreement which seeks to conceal or prevent public review of the circumstances under which the officer separated from or was terminated or fired from employment by the law enforcement unit or State, county, or municipal agency.**
- E. Reports corresponding to the substantiated major discipline in a calendar year shall be published no later than January 31st of the following year (First report: 6/15 – 12/31/2020).
- F. Agencies shall electronically transmit a copy of each public report formatted as provided in a revised Appendix L and submitted to the County Prosecutor or their designee, as well as to the Executive Director of the Office of Public Integrity & Accountability (OPIA) or their designee.
- G. **Whenever a law enforcement officer makes an application to the New Jersey Division of Pensions for retirement benefits, in anticipation of upcoming retirement and the receipt of a pension, both the employing law enforcement agency and the officer shall have an affirmative obligation to report to the Division of Pensions the existence of any pending internal affairs investigation, complaint or case, including those on appeal, as well as any criminal charges against that officer<sup>3</sup>.**

**XI. INTERNAL AFFAIRS FILES**

- A. A separate Internal Affairs file system shall be maintained in a secured file cabinet. Personnel records are separate and distinct from Internal Affairs records. Internal Affairs investigative reports shall not be placed in an employee's personnel records file.
  - 1. When a complaint has a disposition of exonerated, not sustained, or unfounded, there shall be no indication in the employee's personnel file that a complaint was ever made.
  - 2. When a complaint has been sustained, only a copy of the administrative charging form and a copy of the disposition form shall be filed in the employee's personnel file.
- B. Selection and Hiring

---

<sup>3</sup> See N.J.S.A. 43:1-3 ("honorable service" and the evaluation by the relevant board for same); 43:1-4 (notification to Divisions of Criminal Justice, and Pensions and Benefits, about prosecutions or convictions of members); 43:1-5 (employer must notify the board of disciplinary action taken against a member).

1. In addition to the requirements of the selection process, background investigations must include a review of the prior internal affairs files of any law enforcement candidate.
  2. If the Mendham Borough Police Department has reason to believe that a candidate for employment was previously a sworn officer of another law enforcement agency, the Mendham Borough Police Department has an affirmative obligation to identify all such former employees. The Mendham Borough Police Department shall then request all internal affairs files for cases where the candidate was the principal, regardless of the ultimate disposition or status of the complaint.
    - a. **If requested**, the Mendham Borough Police Department shall provide a written acknowledgement to the releasing agency that it will maintain the confidentiality of said files in accordance with this policy.
  3. If the Mendham Borough Police Department **receives** such a request regarding a former employee, then it shall immediately share copies of all internal investigative information related to that candidate with the hiring agency in accordance with N.J.S.A. 52:17B-247. Confidential internal affairs files shall not be disclosed to any other party.
  4. The Chief of Police or designee retains the authority to defer a decision on hiring a particular candidate until all extant internal affairs information has been received and reviewed.
- C. The file system shall contain all investigative files resulting from Internal Affairs complaints and the original copy of the following reports:
1. Vehicular Pursuit Reports;
  2. Use of Force Reports;
  3. Firearms Discharge Reports.
- D. Investigative records created during an Internal Affairs Investigation are included in the "Records Retention and Disposition Schedule for Local Police Departments" and shall be maintained as such. The department may choose to retain the files longer and exceed the retention schedule.
